RE: UPDATE ON COMMUNITY DAY SERVICES

Dear Families and Guardians,

As most of you are aware, Governor Pritzker has extended the Stay-at-home Order through April 30th. The Governor and state agencies continue to assess the COVID-19 situation to determine if the order should be lifted or remain in place.

The Illinois Department of Human Services has asked CDS providers like LARC not to resume day services until the Division of Developmental Disabilities provides official notice to do so. This also applies to our Supported Employment Program. As a result, all our day programs will remain closed until further notice.

During this time, our workshop staff will continue to be re-assigned to work in our CILA homes where we serve 44 individuals. LARC leadership will keep normal business hours in the office to answer calls and address program needs.

As always, please feel free to contact me at (708) 474-1540 or via email at EGonzalez@larclansing.com.

Sincerely,

Ernie Gonzalez
Executive Director
